

## ROTA wants you to volunteer in Ramadan

During the month of Ramadan, Reach Out To Asia will be running a series of fundraising and food aid initiatives to support families in Qatar as well as countries across Asia including the Middle East.

Volunteers will be working on preparing and delivering Iftar meals for the benefit of needy families starting 4 September. Alternatively, volunteers can work in fundraising for the Sidra Tree Campaign which will take place in various locations around Doha starting on 1 September. Proceeds from this campaign will go towards improving access to education, healthcare as well as food aid in Afghanistan, Iraq, Pakistan, Palestine, Qatar and Yemen.

Enrich your Ramadan fast by volunteering for ROTA. To register and for further information contact Mrs Rasha Abu Saada at [rabusada@qf.org.qa](mailto:rabusada@qf.org.qa)
